Chairs

Chairs without arm rests should be arranged in a straight line. If space permits leave room behind the chairs adequate for performer to move around, otherwise set them against the back wall. Chairs that lock together or have legs tied together front and back, are preferred not required. At least 10 chairs should be setup on stage. Suggested minimum stage size is 10' x 16' - the bigger the better. This will allow us to better accommodate more volunteers.

Lighting:

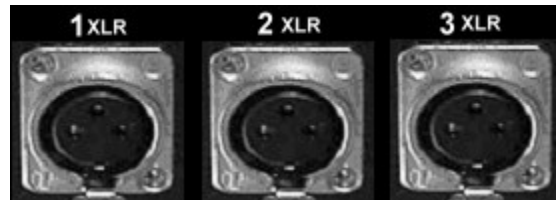

- Soft-front wash. No Effects.
- No follow spot required, unless the venue warrants it.
- Adequate lighting and electrical hookups.

Sound: NOTE: Imperative that those on stage be able to hear Dr H.

- **Professional** sound system, with speakers, stands and cords.
- Playback sound monitors (speakers for the performer on stage) should be used wherever possible to assure crisp and clear sound for the participants.
- Dr. H carries and uses his own headset and hand held microphones. One extension chord will be required. The cord must be long enough to connect a power strip to an electrical socket in the room.
- System input required. Must be able to connect to 3 XLR connections (microphone cable hookups) to sound system. See diagram - - - - -
→

- Table for laptop and props.

Dr H. controls musical queues remotely through a laptop, which is plugged directly into the sound system. The laptop will be set on the side table. If sound tech provided, then a second table will be needed.

All **still photography** is highly encouraged. Please, take lots and lots of photos of your friends on stage and share them with everyone you see.

AUDIO/VIDEO TAPING: All video or audio taping of the performance is prohibited unless approved in writing by Beyond Your Imagination, Inc. c/o Dr H. **No Exceptions.** BYI will be filming and selling DVD's of the show or shows. BYI retains 100% of all such sales included the back of room sales (B.O.R.S.)
